Executive car

ADVANTAGES OF THE

RANGE

IRIS Ecoris is a modern top-of-the-range tyre for small and medium-sized vehicles.

It is specially designed for drivers who want driving comfort without compromising safety.

The low rolling resistance reduces fuel consumption and therefore economical driving.

PRODUCT DATA SHEET

ECORIS

#Premium **RANGE**

Design

Modern and unique asymmetric tread pattern.

Wet

Wide longitudinal grooves for aquaplaning resistance.

Economy

Solid longitudinal centre part for low rolling resistance.
