ADVANTAGES OF THE

RANGE

IRIS AURES is designed to improve performance, ensure your safety and drive you far.

Its modern sculpture has been designed to combine comfort and safety on all types of roads and for all seasons.

The design of the IRIS AURES tyre is optimised to make driving consistent and comfortable whatever the driving conditions.

PRODUCT DATA SHEET

AURES

#Premium **RANGE**

Design

Modern design where safety and design go hand in hand.

Wet

4 Wide straight grooves displace water rapidly, provide excellent grip on wet pavement.

Handling

Symetric tread pattern / solid block design for accurate and balanced handling.
